3 STEPS

1 Line oven trays

 Cook

 Worktop

 baking paper

 2 trays

 10 min

 Trays, paper, butter

Line trays, cube butter, weigh dry dough ingredients, keep butter cold.

☑ Trays lined; dough ingredients weighed.

2 Mix shortcrust dough

 Cook

 Kenwood KWL90.244SI

 K-beater

 speed 1-2

 12 min

 Flour, butter, eggs

Mix dry, add butter to sandy, add eggs and cream, stop at clumps.

☑ Dough clumps when squeezed.

3 Chill divided dough

 Cook

 Refrigerator

 covered dough

 cold

 30 min

 Dough, cover

Divide into four rectangles, cover, and chill until rollable.

☑ Butter stays firm while rolling.

4 Prepare apple filling

 Cook

 Adam apple slicer

 large bowl

 12 wedges

 3-5 mm

 30 min

 Apples, sugar, starch

Core apples, slice wedges thinner, toss with sugar, lemon, cinnamon, and starch.

☑ Apples coated; light juice forms.

5 Preheat AEG oven

 Cook

 AEG Competence oven

 two rack levels

 Fan 180 C

 20 min

 AEG oven, racks

Set fan heat and place racks upper-middle and lower-middle.

☑ Oven holds 180 C.

6

Assemble two trays

Cook

Worktop

rolling pin

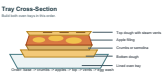

2 trays

25 min

Dough, apples, crumbs

Roll bases, add crumbs, spread apples, cover with tops, seal, vent, egg-wash.

Both pies sealed and vented.

7

Bake both trays

Cook

AEG Competence oven

two rack levels

Fan 180 C

40 min

swap 22 min

Filled trays

Bake together; swap rack levels and rotate if browning differs.

Golden edges; juices bubble.

8

Cool and slice

Cook

Counter

knife

30 min

24 pieces

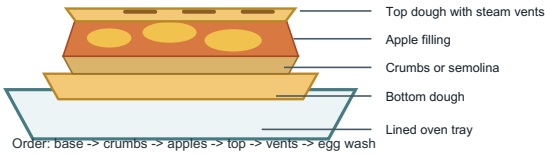

Baked pies

Cool until filling sets, then cut each tray into twelve pieces.

Pieces lift without flooding.

Tray Cross-Section

Build both oven trays in this order.

Base, crumbs, apples, top, vents.

⚠ Wash hands after raw egg

⚠ Refrigerate leftovers after cooling
